

## Application for a 1-year grant from the Swegene postdoc programme

We apply to Swegene for funding of a junior scientist during 12 months. During this period, the scientist will be employed at our department. We accept that the funding from Swegene will cover the salary of the employee including social cost and 13,64 % overhead only.

Name of Swegene manager	Swegene resource centre
Name of Head of Department (prefekt)	Department, university

Manager's signature	Date
---------------------	------

Signature of Head of Department (prefekt)	Date
---	------

The scientist's family name	First name
Address (private)	
E-mail address	
Telephone	Personal code number (10 digits)

Scientist's signature	Date
-----------------------	------

The following documents (one copy only) are attached to this application:

1. Research plan (no more than 3 pages, or approximately 9 000 characters). Comments by the manager on the significance of the project.
2. The CV of the scientist including publication list. No printed matters!

The application should be submitted to Swegene, Margit Anderberg, BMC B14, SE-221 84 LUND. Closing date is Tuesday, 2 November, 2004. The original application form must be signed by the manager, the head of department (prefekt), and the scientist. The application and appendices should also be submitted in pdf-format to [margit.anderberg@swegene.lu.se](mailto:margit.anderberg@swegene.lu.se).
